# Project Specifications

- The Operating System project will consist of 5 lab reports, related to the lab exercises in weeks 7-11.

- Each of the 5 lab exercises will have some tasks for you to complete.

- For each lab exercise, you will be asked to write down a summary of your work on those tasks and then put all 5 summaries together as a single report.

# Submission

Email your report as a single file to nikola.nikolov@ul.ie by Friday, week 12.
